

Be a part of The Trumpet Call!

“Not just by our mouths do we serve The Lord,
But by our hands and our feet shall we serve Him...
This is the kind of tithe in which The Lord delights most.”

Letters from God and His Christ does not accept public donations, nor are Letters from God and His Christ to be sold for profit; God calls us to spread His Word, by all manner of speaking and devices, completely free of charge. However, we would gladly accept any kind of help calling attention to TRUMPETCALLOFGODONLINE.COM and ANSWERSONLYGODCANGIVE.COM.

This includes emailing this site to everyone you know, distributing cards and fliers to those you meet, hanging posters, utilizing bumper stickers and car signs, etc. Also utilizing the internet, via social media websites, is another good way to share The Word of The Lord. If you accept Letters from God and His Christ as the spoken Word of God, please share this gift with others.

This downloadable PDF includes both black and white and full-color printable pages (8 1/2" x 11"), that you may either print on your own printer or have professionally printed. Suggested distribution points include: Colleges, convenience stores/gas stations, grocery stores, laundromats, health clubs, bus stations, and anywhere else you find a public bulletin board. (You may need to ask the attendant for permission at some locations. And please remember: It is illegal to put anything in or on mailboxes, without proper postage.)

And to all those who choose to help spread The Word,
THANK YOU!

Your contribution of time and effort is greatly appreciated.

Thus says The Lord God: I have spoken it, and shall say it again, before this perverse and wicked generation, though they can in no wise bear to hear it: ***I AM COME! THE TIME IS HERE!*** And behold, I, The Lord your God, will do nothing until I have revealed My plans to My servants, the prophets. And this I have done.

Thus says The Lord: For for those who trust in Me and in whom My spirit dwells, My words are like a strong tower set in the midst of battle, which can in no wise be broken down!...
A great trumpet blowing upon the hill outside the city, echoing throughout the waste places; a waving banner for this generation, a bright light, a beacon, shining in the midst of this present darkness!... A rod of justice for the oppressed and the persecuted, a loosening of the chains, the breaking apart of every shackle!... Freedom for those who love Me, deliverance for those who understand, strength for the weak, grace to the humble, manna to nourish the penitent.
